

Internships						
S/N	Name of Program	Type	Location	Description	Requirements	Additional Information
1	Global Leadership Programme	Community Service, Workshop, Cultural Immersion, Undergraduate exchange	Prague, Colorado	<p>In today's world, it is of pressing importance that tomorrow's leaders have a global perspective. The new millennium brings with it many opportunities and challenges. As a member of this ever changing world, the decisions you make today not only affect you, but others around you. What type of impact are you going to leave on our world? We invite you to spend four weeks in Prague, Czech Republic or in the Rocky Mountains of the United States training to become a global citizen, a future leader, and among tomorrow's great social innovators.</p> <p>Obtain new skills and knowledge Think critically about the problems we face today Meet people from around the world Broaden your knowledge about diverse cultures, societies, and peoples Learn the fundamental skills of making progressive and lasting change in our world Jump the gap from dreaming to doing</p> <p>Dedicated to making the theoretical real, the scholars of the Global Institute will benefit through the provision of high quality leadership and civic development training in an international setting. In addition, the participants will not only learn about foreign cultures but they will communicate with, live with, study with, and learn from international students with diverse perspectives, beliefs, cultures, and upbringings. The Global Institute is dedicated to developing extraordinary leaders capable of leading ground-breaking innovation in their fields and in the global community.</p>	Undergraduates/Graduates	
2	Sino-Singapore Undergraduates Exchange	Cultural Immersion	China	<p>The Sino-Singapore Undergraduate Exchange Programme is a prestigious programme spearheaded by the respective Ministries of Education (MOEs) of Singapore and China. It was established to broaden bilateral ties between Singapore and China through the interaction of outstanding undergraduates from both countries. It aims to instill our students with a global perspective and understanding for China and its potential, and to expose the Chinese students to life and education in Singapore.</p> <p>The programme comprised of two legs: a 15-day Singapore leg and a 15-day China leg. The inaugural programme took place in November 2003, when a Chinese delegation visited Singapore and had a good overview of Singapore's economic, cultural and education systems. A Singapore delegation subsequently visited Beijing, Shanghai and Suzhou in December 2003, when the Chinese delegation reciprocated with similar hospitality. Since then, the undergraduate exchange programme has been an annual affair for NUS.</p>	NUS-USP Undergraduates in their second year. Limited number of places are available for non-USP undergraduates	
3	American Cultural Exchange Service (ACES)	Cultural Immersion	USA	<p>American Cultural Exchange Service (ACES) is an American non-profit organization dedicated to promoting global understanding through educational and cultural exchange experiences.</p> <p>Established in 1995, designated by the US State Department, member of and listed by the Council on Standards for International Educational Travel (CSIET), ACES offers a variety of exchange programs to meet the specific needs of its participants.</p>		

4	CHI's Internship Program	Cultural Immersion		Cultural Homestay International (CHI) would like to invite you, young professionals, university students and college graduates, to consider the many benefits of the CHI Internship Program (IP). The practical training experience in an American Host Business gives you the opportunity to put your educational knowledge and your university major "to work" in your chosen professional field. In the process you will gain an in-depth understanding of the American business, society and culture. The IP experience will contribute significantly to the realization of your future career goals.	Please refer to the websites for more information, do note that requirements may differ from one another.	
5	Summer Programme at Wuhan University	Cultural Immersion/ Study	China	<p>1. NUS students will attend lectures on Chinese traditional culture with site visit to Jingzhou Ancient City and an array of other cultural activities in Wuhan city. Students will learn the origin of Chinese traditional culture, development, important historical figures, literature, etc.</p> <p>2. Through lectures and customised seminars on economic and business environment, students will understand Wuhan's competitive advantages. The course will allow our students to investigate the driving force and opportunities behind the growth, to learn the significance of the Rise of Central China strategy and to predict the future of social and economic development of Hubei and Wuhan.</p> <p>3. Visits to local corporations and the Three Gorges Dam (the largest hydropower station in the world) will be arranged to have a better understanding of the economic development in Hubei Province.</p> <p>4. To interact with local Wuhan University students as well as international students from Australia, Brazil, France, Ireland, Japan, Netherlands, Russia, USA, etc.</p>	All full time NUS undergraduates are eligible to apply for the Programme regardless of nationality. Priority will be given to non Chinese nationals.

7	Summer Program at Grenoble	Cultural Immersion/ Study	Grenoble, France	The Summer Programme spans over a period of 4 weeks, usually taking place from June to July annually. This enriching programme offers international students the opportunity to spend a month in Grenoble, offering a wide range of Science courses. At the same time, the students can seize the chance to immerse themselves in the French lifestyle, language and culture.	Undergraduates	

8	Chinese University of Hong Kong International Summer School	Cultural Immersion/ Study	Hong Kong	<p>Students can choose any of the two business/humanities courses and one language (Putonghua/Cantonese) course. Courses will be conducted by local and visiting faculty from abroad at CUHK. The programme will comprise of 50% CUHK students and 50% international students.</p> <p>An optional four-day tour to mainland China - Beijing will be organized in the last week of the programme, leaving for Beijing on 2 August and returning to Hong Kong on 5 August, 2007. You will be staying at a 4-star hotel and will visit major local attractions of Beijing, such as The Great Wall, The Forbidden City, Tiananmen Square, Ming Tombs, Summer Palace, etc.</p> <p>Participation fee of approximately HK\$4,800 (US\$615) includes airfare, hotel accommodation, most meals, and transportation.</p>	Undergraduates	
9	Kyushu University Summer Program	Cultural Immersion/ Study	Japan	<p>The Asia in Today's World Program consists of a Humanities & Social Science Track (HSS) and a Natural Science Track (NS), and provides all the participating students with unique study opportunity. Each track can be combined with Japanese Language Courses (JLC), and participating students will be able to learn Japanese language at morning classes. HSS students will take courses chosen from a range of elective Asian Studies Courses (ASC) for the afternoon classes. NS students will attend Laboratory Work (LW) at various natural science schools in Kyushu University.</p> <p>To complete the program, students must take at least 3 courses and courses will be selected according to the student's study plan. A JLC is counted as 1 course and LW is equivalent to 2 courses. To fulfil the requirements, for example, HSS students can choose either of the combination of "3 courses from ASC" or "JLC and 2courses from ASC". NS students can choose either of the combination of "LW and JLC" or "LW and 1course from ASC".</p> <p>Students who completed the program will be awarded a certificate of accomplishment by the president of Kyushu University.</p>	UNDERGRADUATE STUDENTS or GRADUATE STUDENTS enrolled at foreign universities, who possess high standards of academic performance (GPA score of 3.2 or more), are fluent in English (TOEFL score of 550 or more if you are a non-native speaker) and will continue their studies at their home universities after finishing the ATW program.	
10	International Summer Campus (ISC) Programme	Cultural Immersion/ Study/ Internship	Korea	<p>The International Summer Campus (ISC) Programme is conducted during the special term of June to August. Each ISC course condenses a full semester into 6 weeks. ISC provides an excellent opportunity for students to learn about Korea through academic and cultural immersion. Selected students will get to intern at Chaebols or reputable Korean companies.</p>	Students currently enrolled in a university and high school seniors who are already accepted into a university can apply for this program.	
11	Hospitality Management Training Program	Cultural Immersion/Study		<p>As the world further expands into a global and economic business network, Cultural Homestay International's Hospitality Management Training Program (HMTP) offers university students and young professionals the opportunity to gain practical knowledge in their specific career field at a U.S. company.</p> <p>The Hospitality Management Training Program is a 12 to 18 month practical learning experience related to your course of study and your career development objectives. Participation in the HMTP will improve your understanding of American business practices and methodologies. You will also gain valuable insight into American culture and society.</p>	<p>Be between the ages of 20 and 35; Possess 2 years of educational or professional or experience in your chosen field; or be a recent university graduate or a young professional; Submit a completed application form and supporting documents; Submit proof of advanced English language ability (approximately a 550 TOEFL equivalent); Be responsible for your personal living expenses.</p>	

12	Fullbright Program	Graduate Studies	USA	This flagship international educational exchange program sponsored by the U.S. Government is designed to increase mutual understanding between the people of the United States and the people of other countries. The objective of the grant is to enable the recipient to pursue a particular field of study, and to develop leaders who can contribute to promoting better understanding between the United States and Singapore. We encourage grantees to participate and engage in non-academic activities within the community in which they are pursuing their studies. Upon returning to Singapore, Fulbrighters are expected to continue their role in building bridges of understanding, directly or indirectly, between the two countries through their professional and personal activities.	<ul style="list-style-type: none"> * Citizenship - Applicants must be Singapore citizens. * Leadership potential with exceptional promise and demonstrated involvement in community outreach. * Evidence of motivation and commitment to graduate study. * Outstanding academic records and preparation in the chosen field. * High level of English verbal and written fluency. * Good health - While no written report is required to apply, a candidate is required to submit a health report and obtain medical clearance before becoming a grantee. * Three years minimum of work experience. * Applicants between 30 - 35 years of age at the time of application preferred. 	Priority will be given to the social sciences and humanities as they relate to the United States and Singapore. Within the natural and applied sciences only policy-oriented proposals will be considered.

Volunteers in this program will have the rare opportunity to work at the China Conservation and Research Center for the Giant Panda located in the Wolong Nature Reserve*; the center is dedicated to preserving animals, specifically the giant panda. To help prevent the panda from going extinct, panda behavior and bamboo ecology is studied. The center then shares their research with other research centers in China and around the world to improve the lives and increase the population of pandas. Volunteers will be working with giant pandas as well as other animals including China's golden monkey and the red panda.	# Applicant must have an advanced English speaking level # Applicant must be mature and have an interest in the conservation of animals # Applicant must provide up-date immunization and/or physical exam records	

49	Volunteers Initiative Nepal	Volunteer and Cultural Exchange	Nepal, India	<p>Volunteers Initiative Nepal (VIN) is a non-government and non profit organization (NGO) which was founded by a group of development workers, educationists, advocates, social activists, cultural and tourism experts, ex-volunteers and other professionals. The organization has officially been registered under Society Act with the District Administration Office Kathmandu, Nepal (Reg No.147/062/63). This has also been affiliated to the Social Welfare Council (SWC) (Affiliation No. 20910) Nepal. VIN has been a good forum for development practitioners and professionals.</p> <p>From its establishment in 2006, VIN has been providing most affordable Nepal volunteering opportunities in different sectors. VIN has been mobilizing international and local volunteers in various programs providing essential trainings and counseling, which contribute significantly to the development of poor and marginalized communities of Nepal.</p>	You must be at least 18 years old to apply.	
50	The ship for Southeast Asian Youth Program	Volunteer and Cultural Exchange	South East Asia, Japan	<p>The ship for Southeast Asian Youth Program is based on the respective joint statement issued in 1974 between Japan and 6 ASEAN countries. By 1999 our SSEAYP family extended over to ASEAN TEN and Japan. Resulting, a total of over 8,500 ASEAN and Japanese Youths have Participated to the program within 32 years.</p> <p>Alumni activities are intended to deepen mutual understanding, continuous friendship and goodwill among former participants in different generations of the program. SSEAYP spirit, which was created during the program has proved integrate in its development. SIGA is an annual grand reunion, and it is one of the major events for Alumni. We take rotation to host SIGA by the respective Alumni Association.</p>
